

**CHECKLIST OF REQUIREMENTS FOR THE INITIAL ISSUANCE / RENEWAL / AMENDMENT OF
A LICENSE TO OPERATE (LTO) A THERAPEUTIC X-RAY FACILITY**

☐	1.	Duly accomplished x-ray application form.
☐	2.	Photocopy of the Official Receipt or certificate of subscription of the personal dose monitor (TLD or OSL) from the DTI-PAB accredited provider of personnel dose monitoring service or any accreditation body that has the same signatory status under International Laboratory Accreditation Cooperation's Mutual Recognition Arrangement (ILAC-MRA)
☐	3.	Photocopy of the VALID Professional Regulation Commission (PRC) license of all the radiation oncologist/s and radiotherapy technologists.
☐	4.	Photocopy of the Philippine Radiation Oncology Society (PROS) or Philippine Board of Radiology in Radiation Oncology (PBR-RO) certificate/s of all radiation oncologists working in the therapeutic x-ray facility. (FOR RENEWAL APPLICATION WITH NO CHANGES ON CURRENT RADIATION ONCOLOGIST/S, THIS REQUIREMENT IS OPTIONAL)
☐	5.	Photocopy of the PRC board certificate of all radiotherapy technologists and their certificates of training as specified in Section VI-A-4.3 of the AO No. 0031 series 2013. (FOR RENEWAL APPLICATION WITH NO CHANGES ON CURRENT RADIOTHERAPY TECHNOLOGISTS, THIS REQUIREMENT IS OPTIONAL)
☐	6.	Photocopy of the Philippine Board of Medical Physics certificate s of all Radiation Oncology Medical Physicist/s (ROMP). For non-board certified ROMP/s, documentary evidence satisfying the provisions stated in section XV-C-2 of the AO No. 0031 series 2013. (FOR INITIAL/VARIATION APPLICATION ONLY)
☐	7.	Notarized contract of employment between the facility and the a. radiation oncologist/s b. radiation oncology medical physicist/s c. radiotherapy technologists
☐	8.	Notarized appointment of the Radiation Protection Officer (RPO) and the Assistant RPO. (FOR INITIAL/VARIATION APPLICATION ONLY)
☐	9.	Duly filled-up and notarized affidavit of continuous compliance. (FOR RENEWAL APPLICATION ONLY)
☐	10.	Photocopy of Mayor's Permit as of proof of Business Name. (FOR INITIAL/VARIATION APPLICATION ONLY)
☐	11.	Photocopy of the latest License to Operate. (FOR RENEWAL/VARIATION APPLICATION ONLY)
Additional documents to be submitted prior to the initial issuance of the LTO		
☐	1.	Acceptance Test Certificate signed by the technical representative of the equipment manufacturer/supplier and board certified ROMP (if available upon filing of application).
☐	2.	Commissioning report of the equipment duly signed by the facility's certified ROMP.
☐	3.	Conformance testing report of the x-ray units in the radiation oncology facility.
☐	4.	LINAC output calibration report of the DOH- SSDL or of a third-party board certified radiation oncology medical physicist.

Schedule of Fees (per machine)

Category	Base Fee	INITIAL (3 years)	RENEWAL (5 years)	Renewal of Expired LTO				
				1 st Month	2 nd Month	3 rd Month	4 th Month	> 4 months
A*	3,200.00	9,696.00	16,160.00	33,936.00	35,552.00	37,168.00	38,784.00	48,480.00
B*	5,000.00	15,150.00	25,250.00	53,035.00	55,550.00	58,075.00	60,600.00	75,750.00
C*	8,900.00	26,967.00	44,945.00	94,384.50	98,879.00	103,373.50	107,868.00	134,835.00
Major Variation				Initial Fee shall apply				
Minor Variation				2,424.00				
Pre-assessment				510.00				

Notes:

- License application fee (based on Annex D of Administrative Order 2024-0016*, refer to the schedule of fees above). For the issuance of order of payment, refer to FDA Circular 2021-019 for the guidance. For payment guidelines, refer to FDA Advisory 2024-1022.
- The surcharge/penalty for late filing of the renewal of LTO will be assessed pursuant to the Implementing Rules and Regulations (Book II, Article I Section 3.A.2) of RA 9711 and to the FDA Circular No. 2011-004 as follows:
"An application for renewal of an LTO received after its date of expiration shall be subject to a surcharge or penalty equivalent to twice the renewal licensing fee and an additional 10% per month or a fraction thereof of continuing non-submission of such application up to a maximum of one hundred twenty (120) days. Any application for renewal of license filed thereafter shall be considered expired and the application shall be subject to a fee equivalent to the total surcharge or penalty plus the initial filing fee and the application shall undergo the initial filing and evaluation procedure."
- Pursuant to FDA Circular No. 2011-003, a Legal Research Fee (LRF) amounting to "one percent (1%) of the filing fee imposed, but in no case lower than ten pesos" shall be collected.

Document No.:	QWP-CDRRHR/RRD-01-Annex 1.7
Revision:	02

APPLICATION FOR A LICENSE TO OPERATE A THERAPEUTIC X-RAY FACILITY

General Instructions: Write legibly and in BLOCK letters. Put an “x” mark on appropriate tick box. Completely fill-up the required information and signatures. The CDRRHR will not receive and process unduly filled-up application forms. For requirements, please refer to the attached checklist.

TYPE OF AUTHORIZATION

- ☐ New Application
 ☐ Renewal of LTO #: _____
 ☐ Amendment to existing LTO #: _____
- ☐ Hospital Based
 ☐ Free Standing
- Reason for amendment: _____

I. General Information

Name of Facility: _____

Facility Address: _____

Contact No./s: _____

Name and Address of the Legal Person, Company, Organization, etc.

Name: _____ Position / Designation: _____

Address: _____ Email Address: _____

_____ Contact No./s: _____

II. Name and qualifications of the personnel working in the therapeutic x-ray facility

Chief Radiation Oncologist

Name: _____

Qualification: ☐ FPROS ☐ DPBR – RO

PRC ID# / Validity: _____

Signature: _____

Radiation Oncology Medical Physicist (ROMP) / Radiation Protection Officer (RPO)

Name: _____

Qualification: _____

Signature: _____

ROMP / Assistant RPO

Name: _____

Qualification: _____

Signature: _____

Chief Radiotherapy Technologist

Name: _____

Qualification: _____

PRC ID# / Validity: _____

Signature: _____

Board Certified Radiation Oncology Medical Physicist (CMP-ROMP)

Name: _____

Qualification: _____

Signature: _____

III. Declaration of the veracity of the information: To be signed by the legal person / owner of the facility

I hereby declare that all the information provided on the form and in support of this applications is the best of my knowledge complete and true in every particular.

Printed Name and Signature

Position: _____

Date: _____

IV Equipment Specifications (All x-ray equipment in radiation oncology facility)**IV-A Linear Accelerator**

Manufacturer/ Brand	Model	Serial Number	Date of Manufacture	Country of Origin	Energy		Location
					Photon	Electron	

IV-B Tumor Localization and Simulation, C-arm

*Type	Name of Manufacturer	Brand		Model		Serial Number		Max. mA	Max. kVp	Location
		Control Console	Tube head	Control Console	Tube head	Control Console	Tube head			

*X-ray or CT-Simulator, C-arm

V Name and qualifications of other radiation oncologist/s, medical physicist/s, and radiologic technologist/s working in the radiation oncology facility:

Name	Designation	Qualification	PRC License	Validity	Signature

Please use separate sheet if necessary

VI Name and qualifications of other medical practitioners (i.e. nurses, nursing attendant, etc.) working in the radiation oncology facility:

Name	Designation	Qualification	PRC License	Validity	Signature

Please use separate sheet if necessary

VII Radiation Therapy Classification (Tick the appropriate radiation therapy classification of your therapeutic x-ray facility):

<i>Radiation Therapy Classification</i>		
☐ Level One Therapeutic X-ray Facility: <i>Capable of performing Conventional 2-D Radiotherapy ONLY.</i>		
☐ Level Two Therapeutic X-ray Facility: <i>Capable of performing Conventional 2-D Radiotherapy and 3-D Conformal Radiotherapy ONLY.</i>		
☐ Level Three Therapeutic X-ray Facility: <i>Capable of performing Conventional 2-D Radiotherapy, 3-D Conformal Radiotherapy, and Intensity Modulated Radiotherapy (IMRT) ONLY.</i>		
☐ Level Four Therapeutic X-ray Facility: <i>Capable of performing Conventional 2-D Radiotherapy, 3-D Conformal Radiotherapy, Intensity Modulated Radiotherapy and any of the following specialized radiotherapy services (tick the applicable specialized radiation therapy service/s below):</i>		
<i>Specialized Radiation Therapy Services</i>		
☐ Image Guided Radiation Therapy	☐ Stereotactic Radiosurgery and Radiotherapy	☐ Stereotactic Body Radiotherapy
☐ Total Body Irradiation	☐ Total Skin Electron Irradiation	☐ Intra-operative Radiotherapy
☐ Tomotherapy / Arc Therapy	☐ Adaptive Radiotherapy	☐ Respiratory Gated Radiotherapy
☐ Cyber Knife	☐ Others (please specify): _____
